We made it! Thanks
Creator for all you have
given us. Thank You
Jody Ross. For our family,
Loved ones that have gone
before us, our youth,
the children & Iitoi
Creator of all good
things... Special blessings
for Verma Enos who was with
me in spirit today, and for
our son, Kathy

Creator, Thank you
for the wonderful
Blessings you have
given us, I come to you
this day, to suffer for
my children, my family
and all my relations,
for good health for all,
for our Oadham Youth
for the Elders, for
all living things in all
directions Give your
Blessings to all.

Mike J 11/9/96.

Nov. 10, 1996 - I'm happy
to be here with Marvin
Safford on his 30th trip.
I feel so blessed - It's
my first climb ever - did
Forke's route. May the great
Creator watch over us all -
as we make it to climb
another day. Wow! what
a magnificent sight -
Thank you God & thank
you Marvin. Cindy Guare

It's been a long run!

My first time up here was
in 1960. This, my 30th
summit trip, will be my last.
I want to quit while I am
still having fun. And I am
still having fun. There have
been lots of memorable
situations—lots of great
climbing companions. Best
of luck to the rest of you.
