

4-13-05: Crystal Line on a beautiful day.

Back on top again. It's been
awhile. Love this summit.

4-16-05

Kerry + Bitsy up the Forbes.
Bitsy's first day out climbing. It's
a beautiful day!

KOBie
(aka Amber)

We climbed and scraped our way
up to the summit. Etoi gave us
a beautiful climb - worth every
cut & bloody surface!

Support crew on the way
Paul W. Mike Jen & Jack Barry
Frances Hu. All in trepid success!

4/16/05 What + Chris. Finally climbed the SE
Arête on Natabunge Otago.

Beautiful day. Long one. Real tired. Thank you
to all the people who have taught how to
honor the mountain and to plug amongst them.
