Mary Sarvak & Matthew Nelson, Tucson, AZ  
Came up to celebrate Mary's 35<sup>th</sup>  
b-day, & Matthew proposed -- I said  
yes & a large group of ravens and  
a single golden eagle came to  
celebrate with us. A wonderful  
marriage blessing. I will never  
forget it.

I am like a small child, lost in an  
awesome land, on an awesome  
planet. And that planet is only  
a speck in a universe my mind  
cannot conceive, though I have  
made trying my career. All this  
brings me awe, and humbles me,  
but it also brings me joy. I  
do not fear that my life is  
meaningless, though I know it is  
tiny and frail. For I am a child  
of the King of kings, Creator of  
all galaxies, loved on account of  
Christ, though I cannot understand  
how. I am a child, asking  
questions about my Father's world.
