BEST MOUNTAIN IN THE WORLD!

Crazy trip so far. We busted the oil  
pan on our SUV on the way out to  
the campground. Had to back pack  
2-3 miles back to campground.  
Still have not figured out how we are  
going to get home. . . .

This may be a sacred Mt.  
but I just find it to  
be a scary Mt. 1st climbing  
I've done. Thanks to the  
encouragement of others AND John's  
harness I did not bail.  
Thank you Lucas, Zema, John, and Chris
